NEWS Letter 2019-20

Mr. Abhishek Sharma
Editor

From Principal's Desk

The session 2019-20 came to an end with the silent attack of the silent killer Corona Virus. All types of activities seemed to be hampered & covid-19 pandemic disrupted the normal teaching in the school's at global level. The teachers & children had to stay at home for a long unexpected period of time.

In such a situation, the hopes and dreams of parents & teachers regarding children have been badly shattered. So, in such a scenario the Virtual World came to rescue us. Almost all the schools shifted their base to virtual platforms and conducted online classes and fulfilled the need of education from Nursery to XII level. All the stake holders like management, teachers & parents did their best and helped each other in providing good quality education to the children. They tried to leave no stone unturned as they did in previous session. This year we emphasized academy pattern of teaching which brought laurels to the crown of the school. This newsletter gives a glimpse of activities held at our school throughout the session. Even after the attack of covid-19, we shall try utmost to maintain the same tempo with more exciting and useful activities in the session 2020-2021 also. Hope for converting the threat of covid-19 into opportunities for students.

Teacher's Day

Mr. Sukhbir Singh of T.I.T. Sr. Sec. School was Honoured by District Education Officer Sh Ajit Singh Sheoran as best Teacher Award for the year 2019 in Bhiwani.

Teachers Day celebration is an event the school. This pious day is celebrated every year in our school by organising a number of activities. This year also teacher's day was celebrated with great enthusiasm. Students played the roles of teachers and performed many other activities. On this day, by playing the role of their favourite teachers they learnt how to contribute in the nation building process.

Every child is born with a hidden talent. Schools are the places where this talent gets an exposure for sharpening this talent, a type of training is needed. We at T.I.T. Campus use our potential to train the students in various fields of life skills by having their talent. Our teachers are found fully involved in giving a shape to the child's future in academics, sports, cultural and vocational activities. At school as well as at their home they explore different ways for grooming the children and convert them into successful citizens.

They are provided complete study material expecting the parents to be helpful to in molding the future of their child.

A district level science exhibition was organised in SRS lab school, Bhiwani. Many students participated with different themes. They made modals on different topics. We got one first position, One second position and one third position in different themes. We also got 1st position in Paper reading contest.

Our student Gaurav (+2) Got 1st position and Kamal got 2nd position in International javelin throw Championship held at Nepal (Pokhara) on 19th Jan. 2020.

One of our students Ashwani got first position in 10th SKSI's International Karate Championship held from 27 to 30 Dec. 2019.
